Enclosed for your review are the following draft sections of the Pond Water Management Interim Measure/Interim Remedial Action Decision Document dealing with administrative controls for pond water discharges:

- Section 5.2 Description and Evaluation of Alternatives, and
- Draft chapter of the Evaluation Criteria for Physical Control Alternatives for Pond Water Management.

Also enclosed is a matrix which will be utilized to aid in the determination of the physical control alternative that best meets criteria identified in previous meetings. Please provide comments to the Rocky Flats Field Office by September 6, 1994. If you have any questions or comments regarding this submittal please call me at 966-3424 or Annette Marquez at 966-6247.

Sincerely,

April 5, Hill
